

Technical drawing of a power connector. The drawing shows a side view of a cylindrical component with a flange. Dimensions are labeled: L is the total length, B is the flange diameter, d2 is the inner hole diameter, L is the length of the main body, R is the radius of the flange, d1 is the outer diameter of the main body, and d0 is the outer diameter of the flange. Below the drawing, the following dimensions are listed:

- d2 = 8.4 mm
- L = 38.21mm
- B = 17.8 mm
- E = 15 mm
- d = 11.4 mm
- D = 14.8 mm
